

Technical Data

550m³ TRAILER TYPE DRAINAGE PUMP SET

Product performance parameters	
Model	FT-Q550-H25
Engine	Deutz - China
Flow	550m³/h
Dimension and Weight	2300*1400*1400(mm) 1200kg
Suction Range	7.5m
Lift	30m
Color	Yellow
Forward mode	Traction type
Trailer form	Two-wheeled mobile trailer
Support	Mechanical type
Maximun speed	15m/h
Power	60kw
Rate speed	1500r/min
Control system	Mechanical control
Vacuum assisted system	Permanent magnet DC control
Maximum particle passage diameter of supply and drainage system	76mm
Water inlet (mm)	8 inch
Water outlet (mm)	8 inch
Diameter of discharge outlet in water supply and drainage system	76mm
Chassis	High quality carbon structural steel frame
Fuel system	Fuel medium: diesel; Integrated bottom oil tank; Continuous work for ≥ 8 hours;
